- \* Since there are no IPZ-1 = 10 (red = 10 only), should they be included in table?
- Possibly remove additional circumstances since policies are the same regardless of circumstance

- N/A Denotes not a significant threat
- TBU To Be Updated with additional IPZ-3 data ???
- NATP No Applicable Threat Policy
-  Draft policies to be drafted
- No WHPA-B with V=8 noted in policies

DRAFT
