**USED TIRE PROGRAM**

The Municipality of Southwest Middlesex  
 has registered as a Collector of used tires  
 with Ontario Tire Stewardship under the  
 Waste Diversion Act. Used tires can now be  
 dropped off at the Limerick Landfill Site,  
 724 Limerick Road and at the Trillium  
 Landfill Site, 3945 Trillium Drive.  
 Both On-road and Off-road tires will be  
 accepted with no charge or tipping fee.  
 Tires must be removed from the rim,  
 free of foreign material and excessive  
 moisture. They must also be stacked neatly  
 in the designated area.

service area associated with the existing pumping station. Planned upgrades to the facility are in keeping with  
 recommendations from the Sanitary Sewer Master Plan. Planning and conceptual design of the proposed upgrades are being completed in conjunction with the Class  
 EA process. Implementation of the upgrades is scheduled for the 2010 construction season.

**THE ENVIRONMENTAL SCREENING PROCESS:**

The planning for this project is following the environmental screening process set out for Schedule B activities  
 under the Municipal Class Environmental Assessment (Class EA) document. The purpose of the Class EA  
 screening process is to identify any potential environmental impacts associated with the proposed works and a  
 plan for appropriate mitigation of any identified impacts. The process includes consultation with the public,  
 stakeholders and review agencies.

**PUBLIC INVOLVEMENT:**

The consultation program developed for  
 this Class EA includes opportunities for  
 public input and involvement. For the  
 initial phase of the program, public  
 input into the planning and design of  
 this project will be received until  
 October 9<sup>th</sup>, 2009. Additional  
 opportunities for comment will be  
 provided as the process proceeds. Any  
 comments collected in conjunction with  
 this Class EA process will be  
 maintained on file for use during the  
 project and may be included in project  
 documentation. With the exception of  
 personal information, all comments will  
 become part of the public record.

For further information on this project, or to review the Class EA process, please contact the consulting  
 engineers: B.M. Ross and Associates, 62 North Street, Goderich, Ontario, N7A 2T4. Telephone (519) 524-  
 2641, Fax (519) 524-4403. Attention: Kelly Vader, Environmental Planner. (e-mail: kvader@bmrross.net).

**PUBLIC NOTICE  
 MOUNT BRYDGES AND AREA  
 WATER SYSTEM**

Pursuant to Section 14 (2) and (3) of Ontario Regulation 287/07 (A Clean Water Act  
 Regulation), the Council of the Municipality of Strathroy-Caradoc hereby provides  
 notice that the following Committee recommendation was adopted by Council at the  
 July 6, 2009 meeting:

1. Based on the proposed connection of the Mount Brydges Water System to the Lake  
 Huron Water System in 2010, that the Municipality of Strathroy-Caradoc will utilize the  
 exemption provision for the wells of this system from sub clause 15 (2) (e) (i) of the  
 Clean Water Act.
2. The water system groundwater source use be discontinued and an application be  
 made under the Ontario Water Resources Act for cancellation of the water system  
 wells permits, upon connection to Lake Huron Primary Water Supply System.
3. A copy of the resolution be sent to the Thames-Sydenham and Region Source  
 Protection Committee.

For further information, please contact Mark Harris, Director of Environmental  
 Services, Municipality of Strathroy-Caradoc at 519-245-2010 ext. 224.
